Broken Heart

Immature

You know what girl
I'm really hurting inside
I just don't understand how you could hurt me
And break my heart
That's why I wanna sing this song
To let you know how I really feel
'Cause you broke my heartWhat would you do?
What would you do?
What would you do if you had a broken heart?What would you do?
What would you do?
What would you do if you had a broken heart?All I do is think of you
I'm so sorry for what I've done
I want you back in my life
I'm glad you still love me
Girl you know you broke my heart
Oh yeahWhat would you do?
What would you do?
What would you do if you had a broken heart?What would you do?
What would you do?
What would you do if you had a broken heart?There's no other girl who can make me feel this way
You're so special there's no one like you
I know that we'll get back together
If you don't break my heartWhat would you do?
What would you do?
What would you do if you had a broken heart?What would you do?
What would you do?
What would you do if you had a broken heart?You know what girl? We've really been through a lot
You know and I know, we gotta get back together
I just don't understand
I'm just thinkin' right now baby
Uh uh uhWhat would you do?
What would you do?
What would you do if you had a broken heart?What would you do?
What would you do?
What would you do if you had a broken heart?What would you do?
What would you do?
What would you do if you had a broken heart?What would you do?
What would you do?
What would you do if you had a broken heart?What would you do?

What would you do?
What would you do if you had a broken heart?
