

I Wanna Be Married

Melinda Schneider

I wanna be married I wanna be single too
I wanna be married I wanna be single too
Dont wanna say I dont boy but I dont wanna say I do
I wanna be married I wanna be single too I could be your only one and always stay around
But Id sure hate to disappoint those pretty boys downtown
If I let you wrap me up I might just come unwound
I could be your only one but Id hate to let you down I wanna be married I wanna be single too
I wanna be married I wanna be single too
Dont wanna say I dont boy but I dont wanna say I do
I wanna be married I wanna be single too Some girls like going steady some girls like to swing
Me Id rather have it all so give me everything I wanna love you baby but I wannna love another too
Just cant make my mind up what I wanna do
Just a little problem that Im going through
I wanna love you baby but I wanna love another too. I wanna be married I wanna be single too
I wanna be married I wanna be single too
Dont wanna say I dont boy but I dont wanna say I do
I wanna be married I wanna be single too
