

Dreaming (Eric Kupper Mix)

BT

No words, no talk
We'll go dreaming
No pain, no hurt
We'll go dreaming Walk with me, the future's at hand
Here with us, here where we stand
We both know the power of pain
We get back up and start it again With new hope
No place for tears
Leave behind those frozen years
Come with me and we'll go dreaming We don't know how it can be
Searching our dignity
Nothing can be as savage as love
One taste is never enough With new hope
No place for tears
Catch my hand and come with me
Close your eyes and dream Walk with me, the future's at hand
Here with us, here where we stand
We both know the power of pain
We get back up and start it again With new hope
No place for tears
Leave behind those frozen years
Come with me and we'll go dreaming We don't know how it can be
Searching our dignity
Nothing can be as savage as love
One taste is never enough With new hope
No place for tears
Catch my hand and come with me
Close your eyes and dream No words, no talk
We'll go dreaming
No pain, no hurt
We'll go dreaming No words, no talk
We'll go dreaming
No pain, no hurt
We'll go dreaming
