Tumult

The Knife

Goddamn you!Haven't let you in 'cause I'm in you
Haven't let you in 'cause I'm in you
Must have been a bitch, must have been a pain
Take me off the innocent
Put me in your veinIt's improbable
Yeah, it's improbableHaven't said a word 'cause you're still on
Haven't said a word 'cause you're still on
Mustn't take offense, mustn't take a bow
Used to be a derelict
Now I have to live with itIt's improbable
Yeah, it's improbable
Yeah, it's improbable
Yeah, you came back, but I know better boyTrip my light fantastic
Rub me in your wound
Well I'm not broken, I'm not plastic
I'm no whore
Used against me, use me up againIt's improbable
Yeah, it's improbable
Yeah, it's improbable
Yeah, you came back, but I know better boySometimes I think I'm crazy, other times I know I'm notGot no time to time to time, once again
Got no time to time to time, once again
Got no time to time to time, once againYou don't want me, you don't need me
