

# Talking In Your Sleep

Crystal Gayle

Three o'clock in the mornin'  
And it looks like it's gonna be  
Another sleepless night  
I've been listenin' to your dreams  
And gettin' very low  
Wond'rin' what I can do Maybe I'm bein' foolish  
'Cause I haven't heard you mention  
Anybody's name at all  
How I wish I could be sure  
It's me that turns you on  
Each time you close your eyes  
I've heard it said that dreamers never lie You've been talkin' in your sleep  
Sleepin' in your dreams  
With some sweet lover  
Holdin' on so tight Lovin' her the way  
You used to love me  
Talkin' in your sleep  
With lovin' on your mind Maybe I'm bein' foolish  
'Cause I haven't heard you mention  
Anybody's name at all  
How I wish I could be sure  
It's me that turns you on  
Each time you close your eyes  
I've heard it said that dreamers never lie You've been talkin' in your sleep  
Sleepin' in your dreams  
With some sweet lover  
Holdin' on so tight Lovin' her the way  
You used to love me  
Talkin' in your sleep  
With lovin' on your mind
