Weary

Solange

I'm weary of the ways of the world
Be weary of the ways of the world
I'm weary of the ways of the worldI'm gonna look for my body yeah
I'll be back real soon
I'm gonna look for my body yeah
I'll be back real soon
I'm gonna look for my body yeah
I'll be back real soonBut you know that a king is only a man
With flesh and bones, he bleeds just like you do
He said "where does that leave you"
And do you belong? I do, I doBe leery bout your place in the world
You're feeling like you're chasing the world
You're leaving not a trace in the world
But you're facing the worldI'm gonna look for my glory yeah
I'll be back real soon
I'm gonna look for my glory yeah
I'll be back real soon
I'm gonna look for my glory yeah
I'll be back real soonBut you know that a king is only a man
With flesh and bones, he bleeds just like you do
He said "where does that leave you"
And do you belong? I do, I do
