Grade School Love

Mike Krol

When I find your house I'm gonna burn it to the ground
I won't be seeing you at the lost and found
My stomach burns, my eyes turn red
I cant believe what you SAID(alright)
when i saw you at the show and tell
you were love sick, you weren't doing so well
I still miss you, my grade school loveFor the impasse, it doesn't look the same
Instead, Blake, you dont remember my name
You go your way, and I'll go mine
I can't believe that the world is CALLING(i still miss you, my grade school love
i still miss you, my grade school love
i still miss you, my grade school love)
