

Swim

Douglas Dare

Each of us, we're going in
Even if we don't know how to swim
We're going in I will stand at the pool side
Counting the rings made from her dive
I want to get in, I want to get in
I want to get in And swim
swim
SWIM
SWIM
To you
to you

You're falling, I could talk to
I did not know the words I chose
How I could say
I miss you Would you be as I always knew?
Would I've pushed through
And change you, and need you
I need you I'll swim
swim
SWIM
SWIM
To you
to you
I'll swim
swim
SWIM
SWIM

SWIM Each of us, we're going in
Even if we don't know how to swim
We're going in
We're going in I am of the dark
I am of the dark
I am of the dark
I am of the dark
