

Surrender (demo)

Depeche Mode

Try to forget torment
Lying behind a smile
Tears for sentiment
Now I've done my time You filled my head with your opinions
Blind to your lies I listened Still waiting for love to take revenge (revenge)
For that sweet surrender You'll get what you deserve
Hiding behind a lie
Revenge says more than words
You'll pay for your crime I fooled myself you'd change your ways
Blind to your lies I listened Still waiting for love to take revenge (revenge)
For that sweet surrender Still waiting for love to take revenge
For that sweet surrender Still waiting for love to take revenge
For that sweet surrender Still waiting for love to take revenge (revenge)
For that sweet surrender Still waiting for love to take revenge
For that sweet surrender Still waiting for love to take revenge (revenge)
Still waiting for love Still waiting for love to take revenge
Waiting for love from heaven Still waiting for love to take revenge
Still waiting for love To take revenge
Sweet revenge
Waiting for love from heaven
