W.d.y.w.f.m?

The Neighbourhood

Two nights ago, she got that look in her eyes
Kaleidoscope, but that`s only half the time
Three days before
she told me that I don`t even try
She`s crazy though,
I guess there`s something wrong inside
Maybe you`re right,
maybe this is all that I can be
But what if it`s you,
and it wasn`t me?
What... .... do you want from me?
What... .... do you want from me?
Four weeks ahead,
I thought that I should change some more
I`m f*cked in the head,
and my mind is turning into a whore
Five months go by,
and I thought about letting her go
She`s crazy though,
and I guess she took control

Oh no, oh no, oh no, oh no no
Maybe you`re right,
maybe this is all that I can be
But what if it`s you,
and it wasn`t me?
What... .... do you want from me?
What... .... do you want from me?
Maybe she`s right, maybe I`m wrong
Maybe we`ll fight to move us along
I can`t deny writing this song
Hoping she`ll find she`s not alone...
(Instrumental break)
Maybe you`re right,
maybe this is all that I can be
But what if it`s you,
and it wasn`t me? oh..
What do you want from me?
What do you want, what do you want from me?

What do you want from me?
What do you want, what do you want from me?
