

# Trick Me

## Kellys

Whoao  
This is it  
Yeah  
Whoao  
Said, "I've paid my dues for all that I've done"  
And I showed you that I loved you more than once  
There's nothing left there to decide  
Said, "You might trick me once  
I won't let you trick me twice"  
Freedom to us has always been a trick  
Freedom to you has always been who ever landed on your dick  
Seen it in you one to many times  
Said, "You might trick me once  
I won't let you trick me twice, no"  
Might trick me once  
I won't let you trick me twice  
Might trick me once  
I won't let you trick me twice, no  
Might trick me once  
I won't let you trick me twice  
No, I won't let you trick me twice  
Those days are old and overdone  
And it's only 'cause I'm not with you  
That you make me number one  
Though I may love you, it hurts me deep inside and  
Now you no longer have to hide  
I used to be down with the late night hit  
Started gettin' heavy when I really wasn't ready  
Used my past to get in my mind  
So I fell for your lies like all the time  
I thought you were the shit to be playin' around  
Call the police, there's a mad girl in town  
Couldn't get even here without a sound  
It's not how I wanna get down, yeah  
Might trick me once  
I won't let you trick me twice  
Might trick me once  
I won't let you trick me twice, no  
Might trick me once

I won't let you trick me twice  
No, I won't let you trick me twice  
No, I won't let you trick me twice  
And I've paid my dues for all that I've done  
And I showed you that I loved you more than once  
There's nothing left there to decide  
Oh, trick me, I won't let you trick me twice  
You might trick me once  
I won't let me trick you twice  
You might trick me once  
No, I won't let me trick you twice, no  
You might trick me once  
No, I won't let me trick you twice  
Whoao  
Peace  
Whoao  
Whoao  
Whoao
