So Hard to Say Goodbye

Coko

So hard to say goodbye
But I just can't keep living this lie
Try to hold back my tears
But my heart still cries, boy if you
If you only knew
The hardest part is saying goodbyeI never thought the day would come when
I would have to overcome
The love and joy and happiness that we once shared
But the pain inside my heart is too much for one soul to bear
It's hard enough to live this life without you cause1 - It's so hard to say goodbye
But I just can't keep living this lie
Try to hold back my tears
But my heart still cries, boy if you
You only knew
The hardest part is saying goodbyeLove is when you lose your only
Without you I'm eternally lonely
Cause you were everything
And everything is you
But how could so much pleasure
Turn to so much pain
I never knew my sun could turn into rainRepeat 1I never thought that I would be
Singing that sad song
The one about living my life, without you ohRepeat 1 (2x)
Goodbye, oh, oh, goodbye oh
But my heart still cries
Boy if you, you only knew
The hardest part is saying goodbye
