

# Gabriel

## Lamb

I can fly  
But I want his wings  
I can shine even in the darkness  
But I crave the light he brings  
Revel in the songs that he sings  
My angel Gabriel

I can love  
But I need his heart  
I am strong even on my own  
But from him I never want to part  
He`s been there since the very start  
My angel Gabriel x2

Bless the day he came to me  
Angel`s wings carried him to me  
Heavenly

I can fly  
But I want his wings  
I can shine even in the darkness  
But I crave the light that he brings  
Revel in the songs that he sings  
My angel Gabriel x3

My angel Gabriel x3  
My angel x3  
Gabriel x4
