I done been through a whole lot
 Trials and tribulations, but I know God
 Satan wanna put me in a bow-tie
 Praying that the holy water don't go dry, yeah yeah
 As I look around me
 So many motherfuckers wanna down me
 But ain't no nigga never drown me
 In front of a dirty double-mirror they found me And I love myself
 (The world is a ghetto with guns and picket signs)
 I love myself
 (But it can do what it want whenever it wants and I don't mind)
 I love myself
 (He said I gotta get up, life is more than suicide)
 I love myself
 (One day at the time, sun gone shine) Everybody looking at you crazy (Crazy)
 What you gone do? (What you gone do?)
 Lift up your head and keep moving (Keep moving)
 Or let the paranoia haunt you? (Haunt you)
 Peace to fashion police I wear my heart
 On my sleeve let the runway start
 You know the miserable do love company
 Fuck do you want from me and my scars?
 Everybody lack confidence, everybody lack confidence
 How many times our potential was anonymous?
 How many times the city making me promises?
 So I promise this And I love myself
 (The world is a ghetto with guns and picket signs)
 I love myself
 (But it can do what it want whenever it wants and I don't mind)
 I love myself
 (He said I gotta get up, life is more than suicide)
 I love myself

(One day at the time, sun gone shine)They wanna say there's a war outside and a bomb in the street

And a gun in the hood and a mob of police

And a rock on the corner and a line full of fiends

And a bottle full of lean and a model on a scheme, yup

These days of frustration keep y'all on tucking rotation

I duck these gold faces, post up fee-fi-fo-fum bases

Dreams of realities peace

Blow steam in the face of the beast

The sky can fall down, the wind can cry now

The strong in me, I still smileI love myself

(The world is a ghetto with guns and picket signs)

I love myself

(But it can do what it want whenever it wants and I don't mind)

I love myself

(He said I gotta get up, life is more than suicide)

I love myself

(One day at the time, sun gone shine)Walk my barefeet (Walk my barefeet)

Down, down valley peak (Down, down valley peak)

I keep my fee-fi-fo-fum (Fee-fi-fo-fum)

I keep my heart undone (My heart undone)And I love myself

(The world is a ghetto with guns and picket signs)

I love myself

(But it can do what it want whenever it wants and I don't mind)

I love myself

(He said I gotta get up, life is more than suicide)

I love myself

(One day at the time, sun gone shine)I went to war last night

With an automatic weapon, don't nobody call a medic

I'mma do it 'til I get it right

I went to war last night

I've been dealing with depression ever since an adolescent

Duckin' every other blessin', I can never see the message

I can never take the lead, I can never bob and weave

For my nigga that be letting 'em alienate me

And the sound is moving in a meteor speed

From a 100 to a billion lay my body in the street

Keep my money in the ceiling let my mama know I'm free

Give my story to the children and the lesson they can read

And the glory to the feeling of all of y'all scenes

Seen enough, make a motherfucker scream, "I love myself!"I lost my head, I must've misread what the good
book said

Oh woes keep me, it's a jungle inside

Give myself again 'til the well runs dry
