

Soul Provider

Michael Bolton

Talk about love, talk about trust
Talkin' 'bout forever baby, when you talk about us
I give you my word, stick to my guns
Believe me when I tell ya baby, that we've just begun
You don't understand, no, the full intent of my plan
Baby,
I wanna be your soul provider, yeah
Baby, I wanna stay that way for the longest time
Baby, I wanna be your soul provider
Just say you'll let me, darlin' I will, I will, I will
I know you've been hurt, I know you're love shy
You don't have to say it baby, it's gonna take some time
Ya got my heart in the palm of your hands
Swear it's gonna stay there baby, give me half a chance
You don't understand, no, the full intent of my
plan
Baby, I wanna be your soul provider, yeah
And I wanna stay that way for the longest time
Baby, I wanna be your soul provider
Just say you'll let me, darlin' I will
I've been waitin' for a long time for somebody like you
To give my love, all my love day and night, oh
Just say you'll be mine for the rest of your life
Baby, I'll show you why
I wanna be your soul provider
Baby, I wanna be your soul provider, oh yeah
Honey, I wanna stay that way for the longest time
Baby, I wanna be, wanna be your soul provider, hey
Baby, talk about love, talk about trust
I wanna, I wanna be, baby, I wanna be your soul, soul provider
