

# Melt

## Duke Dumont

So close, I melt into you Kiss me darling  
Kiss me baby  
I can feel your fingers touching me  
Kiss me darling  
Kiss me baby  
All caressing my deepest thought, yes  
Kiss me darling  
Kiss me baby  
I can feel you whisper in my ear  
Kiss me darling  
Cause when you're so close  
I melt into you I melt into you Touch me baby  
Touch me darling  
I melt into you Kiss me baby  
Oow, your lips on me  
So, close, to me So close  
I melt into you Kiss me darling  
Kiss me baby  
I can feel your fingers touching me  
Kiss me darling  
Kiss me baby  
All caressing my deepest thought, yes  
Kiss me darling  
Kiss me baby  
I can feel you whisper in my ear  
Kiss me darling  
Cause when you're so close  
I melt into you I melt into you
