# High school

## Sharon Cuneta

High school life, on my high school life
Ev'ry memory, kay ganda
High school days, oh my high school days
Are exciting, kay saya

There are times, may problema ka
Kung ang homework, left undone
Pray ka lang, 'wag tawagin ka
Upang di pagtawanan

High school love my one high school love
Not infatuation or crush
Tunay 'to s'ya ang buhay ko
Di n'yo lang alam ako'y nagba-blush

Bakit nga ba ang first love ko
Ay di serious, so it seems
Kung alam lang ng first love ko
He is always in my dreams

Ang saya ng high school
Same in yours and my school
Di na mapapantayan
T'yak ganyan ang buhay na sadyang makulay
Alaala kaylan man

High school life, on my high school life
Ev'ry memory, kay ganda
High school days, oh my high school days
Are exciting, kay saya

High school life, ba't ang high school life
Ay walang kasing saya?
Bakit kung Graduation na'y
Luluha kang talaga?

High school life, ba't ang high school life
Ay walang kasing saya?
Bakit kung Graduation na'y

Luluha kang talaga?

Ang saya ng high school
Same in yours and my school
Di na mapapantayan
T'yak ganyan ang buhay na sadyang makulay
Alaala kaylan man

High school life, on my high school life
Ev'ry memory, kay ganda
High school days, oh my high school days
Are exciting, kay saya

High school life, ba't ang high school life
Ay walang kasing saya?
Bakit kung Graduation na'y
Luluha kang talaga?

(Repeat 2X)
