

# Luv Is a Verb (Gotee Mix)

## DC Talk

[Take this... for a ride]Down with the dc Talk, d- d- down with the dc Talk  
Are you down with the dc Talk, d- d- down with the dc TalkPullin' out my big black book  
Cause when I need a word defined that's where I look  
So I move to the L's quick, fast, in a hurry  
Threw on my specs, thought my vision was blurry  
I looked again but to my dismay  
It was black and white with no room for grey  
Ya see, a big "V" stood beyond my word  
And yo that's when it hit me, that luv is a verb(chorus 1)  
Words come easy but don't mean much  
When the words they're sayin' we can't put trust in  
We're talkin' 'bout love in a different light  
And if we all learn to love it would be just right(chorus 2)  
Hey, tell me haven't ya heard?  
Luv, is a serious word  
Hey, I think it's time ya learned  
I don't care what they say  
I don't care care what ya heard  
The word luv, luv is a verbDown with the dc Talk, d- d- down with the dc Talk  
Are you down with the dc Talk, d- d- down with the dc TalkThinkin' of a way to explain-o  
Cause ya' know when I'm flowin' like a bottle of Drain-o  
Simple and plain, L-O-V-E  
Ain't all that junk that ya see on TV  
Put soaps on a rope cause they ain't worth copin' with  
It's a myth that there ain't no hope and  
Luv is enough if it's unconditionally  
Givin' now you're living out the Great Commission(repeat choruses 1 and 2)Back in the day there was a man  
Who stepped out of Heaven and he walked the land  
He delivered to the people an eternal choice  
With a heart full of luv and the truth in His voice  
Gave up His life so that we may live  
How much more luv could the Son of God give?  
Here is the example that we oughtta be matchin'  
Cause luv is a word that requires some action(repeat chorus 1)(repeat chorus 2 x4)
