Goodbye

Hedley

goodbye
to your ideas bout the ways things should have been
it was a nice try
that doesn't mean that's gunna make me let you in
no i'm not crazy
this is not amazing
you were not a problem worthwhile saving
it could be worse
i could be you
i could be outta luck and that'll never do
im liking my clothes
im safe in my shoes
im glad your gone
and i dont got alot to lose
everybody knows im not crazy
you are not amazing
this is not a problem
im just saying goodbye
so long to spending hours staying up until you call
you've never been wrong
that doesn't mean that you're never gunna fall
no i'm not crazy
this is not amazing
you are not a problem worthwhile saving
it could be worse

i could be you
i could be outta luck and that would never do
im liking my clothes
im safe in my shoes
im glad your gone
and i dont got alot to lose
everybody knows im not crazy
you are not amazing
this is not a problem
im just saying
and i dont really wanna know you played me
it doesnt make me any better if im caring at all
and i dont really wanna know you played me

no i'm not crazy
you are not amazing
this is not a problem
im just saying goodbye
it could be worse
i could be you
i could be outta luck and that would never do
im liking my clothes
im safe in my shoes
im glad your gone
and i dont got alot to lose
everybody knows im not crazy
you are not amazing
this is not a problem
im just saying
goodbye
