

# Celestial Deliverance

## Kreator

Deception into your soul  
It will creep  
Like the foundation of a certain demise  
Reflection facing a vision so deep  
Leaves reality seem like a lie  
Downward, the only way  
Soulless interaction  
Beneath you, dragin' you down  
Drowning your soul erased  
Altered state addiction Slowly, into decline Magic enlightenment celestial deliverance  
Taking horrors carry them away  
Supernatural redemption  
A narcotic mirage  
Creates a psychotic haze Downward, the only way  
Soulless interaction  
Beneath you, dragin' you down  
Prowning your soul erased  
Altered state addiction  
Slowly, into decline
