

Point of No Return (audio)

Starset

There's a memory of how we used to be
That I can see through the flames
I am hypnotized as I fantasize
Forgetting lies and pain
But I can't go back
The ashes call my name
Pouring the fuel, fanning the flames
Breaking the habit and melting the chains
Embracing the fear, chasing the fight
The glow of the fire will light up the night
The bridges are burning, the heat's on my face
Making the past an unreachable place
Pouring the fuel, fanning the flames
I know, this is the point of no return
It's uncontrollable
Such a beautiful desire
There's something sinister about the way it hurts
When I watch it burn
Because I can't go back
The ashes call my name
Pouring the fuel, fanning the flames
Breaking the habit and melting the chains
Embracing the fear, chasing the fight
The glow of the fire will light up the night
The bridges are burning, the heat's on my face
Making the past an unreachable place
Pouring the fuel, fanning the flames
I know, this is the point of no return
I won't turn around
