Over And Over

Young Heart Attack

Alright
Woo oo oo oo oo
Woo oo oo oo oo
Woo oo oo oo oo
Now people talking about solutions, over and over
Well now, we need a revolution, over and over
Well, I was talking about ecology, over and over
Now, we'll be saved by technology, over and over
While the cat next door spends all his time
[Incomprehensible] a self decline
I said, "No no no"
Woo oo oo oo oo
No, hang on a minute now
Woo oo oo oo oo
You gotta let me outta here
Woo oo oo oo oo
Go go go, ow
Now people talking about solutions, over and over
Like a mass execution, over and over
Well, I was working in a factory, over and over
Just trying to make it satisfactory, over and over
Well, all these information causes a manic frustration
I want my vaccination against castration
[Incomprehensible]I said, "No no no"
Woo oo oo oo oo
No, hang on a minute now
Woo oo oo oo oo
You better let me outta here
Woo oo oo oo oo
Go go go, ow
Wow, no no no
I see people dying, over and over
Why don't I sit around crying, over and over
Yeah, I see people taking, over and over
Why don't I sit around waiting, over and over
Well, the cop on the street wants us down on our needs
The President says, "We've got to have peace"
Other people say, "We need our liberation"
Why the hippies say, "We're in love generation"

I say, "No no no"
Woo oo oo oo oo
No, hang on a minute now
Woo oo oo oo oo
You better let me outta here
Woo oo oo oo oo
No no no no no no
Over and over
Over and over
Over and over
Over and over
