

Ghost Town [12" Version]

The Specials

This town (town) is coming like a ghost town
All the clubs have been closed down
This place (town) is coming like a ghost town
Bands won't play no more
Too much fighting on the dance floor

(A-la-la ...)

Do you remember the good old days before the ghost town?
We danced and sang as the music played in any boomtown

This town (town) is coming like a ghost town
Why must the youth fight against themselves?
Government leaving the youth on the shelf
This place (town) is coming like a ghost town
No job to be found in this country
Can't go on no more
The people getting angry

(A-la-la ...)

This town is coming like a ghost town
This town is coming like a ghost town
This town is coming like a ghost town
This town is coming like a ghost town
