

Surprise

Gnarls Barkley

It's cool being the only one but it's lonely

I could have fallen in the stove

A thousand times before

If only someone had known me

They say there's someone for everyone

Oh, plus the word will be never done

When all you need is to be met half way

But nobody tried

Don't be surprised

Don't be surprised

Don't be surprised

There are hills and mountains between us

Always something to get over

Needless to say it's a wonderful day

I just noticed how nice it was to know ya

Oh, but be ready to sacrifice

If you love him you should tell him twice

Because when everything that's alive

Ultimately dies, oh Lord

Don't be surprised

Don't be surprised

Don't be surprised

Somebody's watching

Maybe you want 'em to see you

But with your regrets and secrets

You don't really want them to be you

Well, you can make believe I'm that

And for now I'll be just fine

But when the child grows up to have more

Than just your eyes

Don't be surprised

Don't be surprised

Don't be surprised

Now the ending to every story is most enchanting

Now whether it's heaven or hell

I wear it well

Please forgive me for rambling

I just wanted ya'll

To know that I don't know it all

So when that big ole smile ends up
Being just a disguise
Don?t be surprised
Don?t be surprised
Oh Lord
Don?t be surprised
Oh Lord
Don?t be surprised
I said, "Don?t be, don?t be surprised"
There?s nothing left in here
That?s surprising, baby, 'prising, baby
