

# Afford My Love (feat. Wale)

## Dreezy

You think that you're such a player  
I see just what you are made of  
I'm not that easy  
You should know Dreezy  
Make me believe it  
Boy I gotta see it  
Because you got it like that  
I'm s'posed to react to everything that you sayin'  
Since you got it like that  
You say you spend racks then boy you better be payin'  
I'm just sayin' that you can save it, yeah  
'Cause you can't afford my loveRun the block to the top, know they finna flop  
Takin' shots of Ciroq, walking with a knot  
Independent, I might just leave 'em offended  
I spin him when he spending and I won't miss him when I finish  
And it's pimps in the venue, shrimps on the menu  
Where the thugs at? Throw your sets up if it's in you  
All designer on me, you'd never know what I been through  
I see you in your rental, call me when you official  
You say you got a smart mouth and a mean walk  
I say you got a big wallet, blow some G's off  
My ladies with they own bag, yeah I see y'all  
You a needy bitch, no I wouldn't wanna be y'all  
Too many niggas they come at me on the daily  
Say let's get dinner but pockets slimmer than Shady  
Just 'cause I firt with you that don't mean you can date me  
I might like him but could never be his lady, yeahYou think that you're such a player  
I see just what you are made of  
I'm not that easy  
You should know Dreezy  
Make me believe it  
Boy I gotta see it  
Because you got it like that  
I'm s'posed to react to everything that you sayin'  
Since you got it like that  
You say you spend racks then boy you better be payin'  
I'm just sayin' that you can save it, yeah  
'Cause you can't afford my loveI said ooh, is you knowledge proof?  
Is you dumb or somethin'? Oh really girl, what's your move?

You ain't sour, you ain't sweet  
I beat down blocks and beat down freaks  
In sheets, laminating your sheets  
In to your lower crevice, I wrestle her straight to sleep  
Ooh, hit it like a champion  
Ooh, hashtag MCM  
Ooh ooh, shawty I'm the best dressed  
Got the type of sex turn your man to your best friend  
You think that you're such a player  
I see just what you are made of  
I'm not that easy  
You should know Dreezy  
Make me believe it  
Boy I gotta see it  
Because you got it like that  
I'm s'posed to react to everything that you sayin'  
Since you got it like that  
You say you spend racks then boy you better be payin'  
I'm just sayin' that you can save it, yeah  
'Cause you can't afford my love  
I told him, hold up  
Back up like you parking  
Light skinned or dark skinned, don't stop me while I'm sparkling  
I might look expensive but I'm never up for bargain  
And I'm looking for a shot caller like he bartend  
You wouldn't know a lady if she was in front of you  
That's why you always end up with a chick that's under you  
That's why I make you grab one or two drinks  
I get 'em before you blink then cut 'em off like a summer dew  
Yeah, and I swear I got 'em too mad  
Now he be all up on my line like why you do that?  
You can't impress me with no money, thought you knew that  
Niggas only going for the wave like a durag  
Too many people, they come at me on the daily  
He take you home and you find out he got a baby  
Just 'cause I flirt with you that don't mean you can date me  
I might like him but could never be his lady, yeah  
You think that you're such a player  
I see just what you are made of  
I'm not that easy  
You should know Dreezy  
Make me believe it  
Boy I gotta see it  
Because you got it like that  
I'm s'posed to react to everything that you sayin'  
Since you got it like that  
You say you spend racks then boy you better be payin'  
I'm just sayin' that you can save it, yeah

'Cause you can't afford my love  
My love, my love, not my love  
No not my love
