Cars are trucks
They got me on the corner
But I'm alright
Standing proud before the signal
When I see the light
I feel like more than just a number
And I stand by you
Or else we just don't see the othersFind some pants
... on the desert (?)
But I'm alright
Standing out here in the hot sun
When I see the light
I feel like more than just a number
And I stand by you
Or else we just don't see the othersPrecious metal lies
... into the highway... (?)
Days and night
Weeks and months and seasons
Rolling through me (?)
