

# First Fires (Maya Jane Coles Remix)

Bonobo

Now do you see it, the dream is gone  
Fatal fire, moving on  
Why do you need it in the ways to come  
Over you, the undertone Honestly, I can't believe it's burning again  
Like the first fires  
Run from fences, you don't have to pretend  
First fires And if you find it don't let go  
For a time keep it going  
Don't even fight it, the leaves fall  
Over me, this heavy load Honestly, I can't believe it's burning again  
Like the first fires  
Run from fences, you don't have to pretend  
In the first fires And all your memories are caught in the burn  
For the first fires  
Honestly, I can't believe it's burning again  
Like the first fires Like the first fires Honestly, I can't believe it's burning again  
Honestly, I can't believe it's burning again  
Like the first fires
