

Bullet Soul

Switchfoot

I wanna sing one for all the dreamers
I'm singing this one for the sparks
Here's one for the friction makers
 We are the bleeding hearts
 Don't care whoever you are
 We rise and fall together
 Our hearts still beat below
 You can't stand by forever
You're a kid with a bullet soul
 Are you ready to go?
 Are you ready to go?
I wanna turn up the radiation
 I wanna glow in the dark
Love is the one true innovation
 Love is the only art
 Don't let 'em blow it apart
 We rise and fall together
 Our hearts still beat below
 You can't stand by forever
You're a kid with a bullet soul
 Are you ready to go?
 Are you ready to go?
 Are you ready to go?
We are the children of the scar
 I wanna start from the start
 We rise and fall together
 Our hearts still beat below
 You can't stand by forever
You're a kid with a bullet soul
 Are you ready to go?
 Are you ready to go?
 Are you ready to go?
 Are you ready to go?
