In Out

Dan Croll

Should I do it?
Iâ€™d be surrounded by so many other girls
If youâ€™re offer me to do it and I donâ€™t wanna do it.
'Cause if I do it I will be missing all that somethings
That Iâ€™m so scared turning, keep it moving.
Yeah, thatâ€™s how I do it.

'Cause Iâ€™d be in and out of love, in and out of love, in and out of love,
Iâ€™d be in and out of love.
Yeah, Iâ€™m struggling for the love, but donâ€™t prick this with your love
And I just canâ€™t get enough, so at the end of night Iâ€™m in and out of it.

Iâ€™ve been trying to find a good thing, but itâ€™s never good enough for me
You might think that Iâ€™m crazy, it ainâ€™t what it seems,
Iâ€™m praying that maybe someday we will meet.
And youâ€™ll try to find a way to my heart
Iâ€™ll be trying to find a way to lead
So Iâ€™d be in and out of love, in and out of love, in and out of love.
Love just canâ€™t lock me down.
Now, it just canâ€™t lock me down.

Should I do it? Take a chance, get my heart from the start
And then youâ€™ll see how I do it,
Yeah, you know how I do it.
But if I do it I will be missing all that somethings
That Iâ€™m so scared turning, keep it moving.
Yeah, thatâ€™s how I do it.

Iâ€™ve been trying to find a good thing, but itâ€™s never good enough for me
You might think that Iâ€™m crazy, it ainâ€™t what it seems,
Iâ€™m praying that maybe someday we will meet.
And youâ€™ll try to find a way to my heart
Iâ€™ll be trying to find a way to lead
So Iâ€™d be in and out of love, in and out of love, in and out of love.
Love just canâ€™t lock me down.
Now, it just canâ€™t lock me down.

And I sort of like it, kind of sort I donâ€™t feel her
Maybe sheâ€™s just a maybe, no maybeâ€™s can turn to real ones.
Maybe thatâ€™s just adrenaline, let me give her a second up.

You ainâ€™t notice a difference, hold up.
'Cause how deep is your love?
Actionsâ€™ louder than verbal,
And why youâ€™re speaking so much?
And why youâ€™re sucking your teeth?
'Cause I canâ€™t be where you are?
'Cause I just make you my dinner if I can meet you for life.
Whatâ€™s up?

Iâ€™ve been trying to find a good thing, but itâ€™s never good enough for me
You might think that Iâ€™m crazy, it ainâ€™t what it seems,
Iâ€™m praying that maybe someday we will meet.
And youâ€™ll try to find a way to my heart
Iâ€™ll be trying to find a way to lead
So Iâ€™d be in and out of love, in and out of love, in and out of love.
Love just canâ€™t lock me down.
Now, it just canâ€™t lock me down.
