

Northern Cali Dippin'

Woodie

Intro: its them twonk street rydaz east co co North siders know to resort to violence
loyal fighters 50 cant divide us!

(chorus): nod your head as you listen east co co hit (Northern cali dippin) nod your head as you listen east co co
hit (Northern cali dippin)

(Woodie): Right back at you with that shit tha'l leave you captured the second chapter of east co co's rather
whos a factor smobbin like a tracker crushing everything in sight leaving a scronda wondering how did they
blow up over night all and all its pretty simple drop the beat so yall can hear keep it real and never once forget
about our soilders killed introducing northern cali in a completly different fasion by letting the it be know nation
wide that all the scraps we blastin smashin with darkroom low down ghetto line and black and brown
representing town and town while packin pounds and jacking rounds never hesitate to inicieate the funk and if we
feel theres funk ecanon stuffed between our gun we strapped up just incase of chunkin just a bunch of homie
boys chakee sportin pistol totin gangbangin methanfedimy slangin smokin rocks of potent 40 drinkin rubber
stinkin up the block in 69s dropin tops and shakin cops its northern calis time to shine!
(chorus): Nod your head as you listen east co co hit (Northern cali dippin dippin) {X4}

Lil Los: Sinin set trippin wippin and dippin dank sacks keep mr grinin while my my rims keep on spinnin
northern cali livin mayne got me caught up in the game think about blowin your brains but say no names my
vains pump fluid thats fluent yoc influenced red by choice gang recruitin steelin shootins and a blue prasute be
easy but hard to find by packin 9 in the mean time cuz head will keep me incline these times are getting rough
so little los has got to puff different funk every month both actin tough in every turf cuz i had enough of these
pos all on our backs the force task get jacked cuz our last riot was about scraps 50 suck dickie dummpin the
season comes equipt talkin shit to your kids exposing them to how we live fuck s bitch fuck a snitch keep that
joint up in your lip slap a 40 in yo lap and talk about it in your rap pack a strap by your side kinda slide in your
ride take a choke and get high keep that north side in your pride you can try but this bangin and quick fuck yout
life your that rip tide east co co hit

Chorus: Nod your head as you listen east co co hit (Northern Cali Dippin Dippin) {X4}

Louie lou: Criminal oasis with death upon my nemises player intuition and create the right hypotheses duranged
mind stat let the indo penetrate haters on the bay cus we back up in yo face you aint tough yet yous to represent
the set who smashed on black we left the scene with no regets its that twonk click we gives a shit east co co hit
now we exchangin funk faces with you bioch watchin people falsey cuz only of few of u know me talkin bad
about the plate gettin out here on you homie this one is for the fomies nut swingin clones now a days fuck drust
if you do you gotta show me norte ryder do or dyer place the light???
