

# Demons of the Dead

## Fleshcrawl

Twisted dreams, I can't control  
The sickness in my mind, give 'em hell  
Let them die, hatred makes me blind  
Bodies drop, I must obey, the voices never stop  
Demons of the dead  
Demons of the dead  
Demons of the dead  
I have seen ways to bleed  
I suffer from myself, living on  
A dead man's soul  
Suffocates my health  
Sacrifice, my blood runs cold  
I'm dying to be free  
The fall of my own sanity  
The evil within me
