New York Is Where I Live

Steve Tyrell

L.A where I see the stars
Germany where I buy my cars
Texas I eat my baby back ribs
but New York is where I liveItaly where I buy my shoes
New Orleans where I sing the blues
Hablo Espanol en Madrid
But New York is where I liveTravel this whole world of mine
From sea to sea
and I'll bet that you can't find a better place to beAlaska where I skate on ice
Vegas where I roll the dice
San Francisco my heart I give
But New York is where I live
