Fool Me (Dj Fait Remix)

Anya

...and you can fool me
I pretend there's nothing to be
You can fool me
I pretend there's nothing to beI got to many reasons why I can leave without you
I got a crazy feelin'n my heart, tonight
You know how to get down on the foor
Me espirit can telling me gimmie more
Your love is got me all out the control
I feel I lift my body and my soul
...And you can fool me
I pretend there's nothing to be
You cand love me 'till the sun goes down, down, down
Round, round, round
You can fool me
I pretend there's nothing to be
You can love me 'till the sun goes down, down, down
All around...You like it when I take it down
Feel it that I want you
I got a crazy feelin'n my heart, tonight
You know how to get down on the floor
Me espirit can telling me gimmie more
Your love is got me all out the control
I feel I lift my body and my soul
...And you can fool me
I pretend there's nothing to be
You cand love me 'till the sun goes down, down, down
Round, round, round
You can fool me
I pretend there's nothing to be
You can love me 'tÃ¯ll the sun goes down, down, down
All around...
Round, round...
