

Real Love

Florrie

[Florrie]

It's so hard to read (you're the master of disguise...)
In your old blue jeans, you give me truth, you give me lies
You're a mystery, but it's exactly what I like
What I like...I can't pin you down, you're like catching open air
You make me laugh out loud, lying in your underwear
On your leather couch, I just wanna keep you there
Keep you there'Cause all the voices in my head
Are pushing me right to the edgeIf this is real love
Beating like a thousand drums
It's burning like the hottest sun
If you're the only one I want
I want, I want real love
Hit me like a hurricane
I feel it running through my veins
If you're the only one I want
Want, want, want(Oh-oh-oh-oh-oh-oh-oh)
(Oh-oh-oh-oh-oh-oh-oh)
(Oh-oh-oh-oh-oh-oh-oh)Real love, real love...All the little things, it's the smell of your cologne
Lying next to me, I breathe you in when I'm at home
Give me everything, I'm not afraid of the unknown
Of the unknown'Cause all the voices in my head
Are pushing me right to the edgeIf this is real love
Beating like a thousand drums
It's burning like the hottest sun
If you're the only one I want
I want, I want real love
Hit me like a hurricane
I feel it running through my veins
If you're the only one I want
Want, want, want(Oh-oh-oh-oh-oh-oh-oh)
(Oh-oh-oh-oh-oh-oh-oh)
(Oh-oh-oh-oh-oh-oh-oh)
Real love, real love
(Oh-oh-oh-oh-oh-oh-oh)
(Oh-oh-oh-oh-oh-oh-oh)
(Oh-oh-oh-oh-oh-oh-oh)
Real love, real loveI'm not scared of much
Take the pleasure with the pain

Do is all for us
Won't you meet me there halfway?
Don't be scared of love
Take the sunshine with the rain
Do is all for us
Give it all for us If this is real love
Beating like a thousand drums
It's burning like the hottest sun
If you're the only one I want
I want, I want real love
Hit me like a hurricane
I feel it running through my veins
If you're the only one I want
Want, want, want Oh-oh-oh-oh-oh-oh-oh (real love)
Oh-oh-oh-oh-oh-oh-oh (real love)
Oh-oh-oh-oh-oh-oh-oh (real love)
Real love, real love
Oh-oh-oh-oh-oh-oh-oh (real love)
Oh-oh-oh-oh-oh-oh-oh (real love)
Oh-oh-oh-oh-oh-oh-oh (real love) Real love, real love (oooh!)
