## Whitney Houston

I believe in roses, but only from the heart  
And if it's not sincere, baby then I don't want no part  
I believe in one love, baby, true monogamy  
What I don't know can't hurt me, well, that's not the way I see  
If you believed in me you won't mess around  
It's not like I don't know you've been with every girl in town  
You got a lot of nerve to think I just close my eyes  
While you walk around so full of it I give you my surprise  
I don't need your kinda love, I don't need your kinda trust  
I don't want you anymore  
I don't need your kinda kisses, I don't want to be your Mrs.  
I don't want you anymore, no  
I don't need your kinda love, I don't need your kinda trust  
I don't want you anymore  
I don't need your kinda kisses, I don't want to be your Mrs.  
I don't want you anymore  
I believe that angels watch everything we do  
And all the wrong you're doing just might come back on you  
I believe in phone calls when you're not by my side  
Especially when it's lonely in the middle of the night  
If you believe that true love is only made in bed  
Lord, have mercy on you, chivalry is dead  
You got a lot of nerve to think, to think that I'm still down  
While you've taken me for granted, boy, I'm through, I'm outta town  
I don't need your kinda love, I don't need your kinda trust  
I don't want you anymore, no  
I don't need your kinda kisses, I don't want to be your Mrs.  
I don't want you anymore  
I don't need your kinda love, I don't need your kinda trust  
I don't want you anymore, no more  
I don't need your kinda kisses, I don't want to be your Mrs.  
I don't want you anymore, no baby  
So baby, you can kiss this girl goodbye  
I'm through with you, moving on with my life  
No more pain, no more fears  
I'm moving on, I'm keeping on, I'm through with all the tears  
Your kinda love, your kinda trust  
I don't want you  
Don't want you, don't need you

Can't have you  
Your kinda kisses, to be your Mrs.  
I don't want you  
I don't need your kinda love, I don't need your kinda trust  
I don't want you anymore, no  
I don't need your kinda kisses, I don't want to be your Mrs.  
I don't want you anymore  
I don't need your kinda love, I don't need your kinda trust  
I don't want you anymore, no  
I don't need your kinda kisses, I don't want to be your Mrs.  
I don't want you anymore  
I don't need, don't want you  
Don't need, don't want  
Don't need that kind of love  
Don't want your kind of love  
I don't need, don't want you  
Don't need, don't want  
Don't need that kind of love  
Don't want your kind of love  
Don't need it  
Don't want it  
Don't need it  
Don't want it  
Don't need it  
Don't need it  
Don't want you, don't need you  
Don't want you
