

Like I Do

Brian McKnight

If the earth stops spinning the sands of time
If the sun ever refuses to shine
If Gibraltar ever washes away
I'll always feel the way I feel today
Girl, I promise you until my dying day
No one's gonna love you like I do
No one's gonna love you like I do
No one's gonna hold ya
No one's gonna know ya
Like I do love
Like I do
If the waves stop rolling across the sea
If the ground wide opens right under me
If the birds stop flying south when it gets cold
And if by chance the wind forgets to blow
You can never say that you have not been told
No one's gonna love you like I do
No one's gonna love you like I do
No one's gonna hold ya
No one's gonna know ya
Like I do love
Like I do
From your head to your feet
Girl, you're all that I need
Just a day without you
Leaves me so incomplete
Touching you, touching me
Girl, it feels just like Heaven
So stay here with me
As we chase forever love
No one's gonna love you like I do
No one's gonna love you like I do
No one's gonna hold ya
No one's gonna know ya
Like I do love
Like I do
Not like I do love
Like I do
