

# Let It Shine

## Ricky Skaggs and The Whites

Everyone who knows the love of Jesus  
And everyone who's seen what God can do  
Can tell a dying world of His forgiveness  
And share the hope that lives inside of you  
For in the heart of every true believer  
Burns a light of love's eternal flame  
And if we simply lift that light toward heaven  
It will drive the darkness out in Jesus' name  
Let it shine, let it shine  
It only takes a little light, to be a beacon in the night  
Let it shine, let it shine  
If they're ever gonna know, we've got to let it show  
Let it shine  
You may think your light is just a flicker  
A candle barely burning in the dark  
But God has gifted you to tell the story  
A message He has written on your heart  
So let the light of faith shine for His glory  
Do all you can with all God's given you  
For now the fields are truly ripe to harvest  
You'll be amazed at what a little light can do  
Let it shine, let it shine  
It only takes a little light, to be a beacon in the night  
Let it shine, let it shine  
If they're ever gonna know, we've got to let it show  
Let it shine  
Do all you can with all God's given you  
You'll be amazed at what a little light can do  
Let it shine, let it shine  
It only takes a little light, to be a beacon in the night  
Let it shine, let it shine  
If they're ever gonna know, we've got to let it show  
Let it shine, let it shine  
It only takes a little light, to be a beacon in the night  
Let it shine, let it shine  
If they're ever gonna know, we've got to let it show  
Let it shine, let it shine!  
Let it shine, let it shine!
