

You're Nobody Till Somebody Loves You

Frank Sinatra

You're a nobody 'til somebody loves you
You're nobody 'til somebody cares
You may be king, you may
Possess the world and its gold
But gold won't bring you happiness
When you're growin' oldThe world still is the same, you'll never change it
As sure as the stars shine above
You're nobody 'til somebody loves you
Find yourself somebody to loveYou're a nobody 'til somebody loves you
You're nobody 'til somebody cares
You may be a king, you may
Possess the whole world and its gold
But gold won't bring you happiness
When you're gettin' oldThe world still is the same, you'll never change it
As sure as the stars shine above
You're nobody, nobody 'til somebody loves you
So find yourself somebodyGotta get yourself somebodyBecause you're nobody 'til somebody loves you
You're nobody 'til somebody cares
You may a king, you might possess
The big fat world and its gold
But gold won't bring you happiness
When you're growin' oldThe world, the whole world's the same
You'll never change it, change it
As sure as the stars shine above
You're a nobody 'til somebody loves you
So find yourself somebody somebody to love
