Kept in the Dark

Xentrix

Black days for humanity
Suffer the pain, the futility
Select few with immunity
Not the case for the majorityEyes that pierce the world restrained
Healthy will to reveal contained
Questions search for truth remainsWhat is it you wanna see?
What is it you wanna hear?
Control is all that it can be
Control is what we all should fearWhat is it to be? Is it life or authenticity?
Black is truth or is it white?
Kept in the dark, cannot see the lightWords of power start to infect
Must see through must disconnect
Word of truth we all elect
If truth is dead then resurrectGreen is all that they can see
Their only link with reality
Who controls the monopoly?
Exploitation done professionallyWhat is it you wanna see?
What is it you wanna hear?
Control is all that it can be
Control is what we all should fearWhat is it to be? Is it life or authenticity?
Black is truth or is it white?
Kept in the dark, cannot see the light
