My Mind

Superdiscount

So easy
That's what I take
Then I wouldn't have to look at your face
When all these decisions
Though made on your part
That you'll never knew who'd turn your heart
Though it wasn't right even though you were mine
It wasn't right even though you were mine
It wasn't right even though you were mine
It wasn't right you'll never leave my mind
You'll never leave my line
You'll never leave my mind
You'll never leave my line
You'll never leave my
Does it come to this?
You I'll never kiss
Or romanticize so how I've missed
All of these things
We'll never do
When I've gone and broken us all in two

Causeit wasn't right even though you were mine
It wasn't right even though you were mine
It wasn't right even though you were mine
It wasn't right you'll never leave my mind
You'll never leave my mind
You'll never leave my mind
You'll never leave my mind
You'll never leave my
You'll never leave my
You'll never leave my mind
You'll never leave my mind
You'll never leave my mind,
no
You'll never leave my mind,
oh no
You'll never leave my mind
You'll never leave my mind
You'll never

You'll never leave my mind
