Life Is Still Beautiful

The Orange Lights

Like water through your fingers,
all the best things in your life.
Are you waiting for a little break in the clouds,
praying for sunlight?Saying, Oh, how long, will it take till it doesnt hurt?The sun shines in December,
but I hate going outside.
At the minute Im taking every day as it comes
praying for summertime.Saying, Oh, how long, will it take till it doesnt hurt?
I wanna know, how long, will it take till it doesnt hurt?Even when the sun goes down on,
all the things you thought would last so long,
its alright, life is still beautiful.
Uh-huh ,
Uh-huh oh yeah.Even when the sun goes down on,
everything you thought would last so long,
its alright, life is still beautiful.Saying, Oh, how long, will it take till it doesnt hurt?No more,
No more,
No more,
No more.Saying, Oh, how long, will it take till it doesnt hurt?Even when the sun goes down on,
all the things you thought would last so long,
its alright, life is still beautiful.
Uh-huh
Uh-huh oh yeahEven when the sun goes down on,
everything you thought would last so long,
its alright, life is still beautiful.Uh-huhSaying, Oh, how long, will it take till it doesnt hurt?
I wanna know, how long, will it take till it doesnt hurt?No more.
