Empty Wallets

5 Seconds of Summer

Stop digging in your heart 'cause tonight is on me
Tonight is on me
Stop trying so hard is what you said to me, what you said to meGet too high when I'm high
So we see eye-to-eye, woah, oh
Think the high out with the low
And away and away we goLiving our lives
Dancing on empty wallets
Spend it all on you
Spend it all on you
Until we die
Dancing on empty wallets
Spend it all on you
Spend it all on you
We got a whole night, won't you spend it with me?
Live it with me?
We got our lives, but living ain't cheap
Living ain't cheapGet too high when I'm high
So we see eye-to-eye, woah, oh
Think the high out with the low
And away and away we goLiving our lives
Dancing on empty wallets
Spend it all on you
Spend it all on you
Until we die
Dancing on empty wallets
Spend it all on you
Spend it all on you
Sugar caught a break
The fluid ain't to blame
For the sugar causing painLiving our lives
Dancing on empty wallets
Spend it all on you
Spend it all on youI always believed in second chances
I always believed in you
I always believed in second chances
I always believed in youLiving our lives
Dancing on empty wallets
Spend it all on you
Spend it all on you

Until we die
Dancing on empty wallets
Spend it all on you
Spend it all on youSugar caught a break
The fluid ain't to blame
For the sugar causing painWell living our lives
Dancing on empty wallets
Spend it all on you
Spend it all on you
