Peter Tosh

Chorus

i'm not gonna give it up  
i'm not goin'  
i'm not gonna give it up

i will be fighting  
i've got to be fighting  
i will be fighting  
til africa  
and africans are free  
i said that i been up there  
and i've seen poverty beyond compare  
i know slave drivers just don't care  
they just don't care

chorus

africa's the richest place  
but it has the poorest race  
and to me it's just a disgrace  
just a disgrace  
africans don't wait too long  
we gotta fight 'cause it's not wrong  
won't you join in and sing this song  
sing this song

chorus

to be poor it's a hurtful pain  
livin inna poverty it's a burning shame  
help yourself 'cause man you're not lame  
you are not lame
