

Lusty

Lamb

All alone, in this heat
My thoughts start to wander I'm a lonesome in this world
My hands start to long for your skin
My mouth starts to long for your kiss, your kiss And the sun burns my skin
But it's outside and in, it's burning
Only you can soothe me, come cool me down I want you in my reach
Oh the things I'd do to you
I touch you when I close my eyes And the sun burns my skin
But it's outside and in, I'm burning
Only you can soothe me, come cool me down And the sun burns my skin
But it's outside and in, I'm burning
Only you can soothe me, come cool me down Oh, the sun burns my skin
But it's outside and in, I'm burning
Only you can soothe me, come cool me down
