

# EAT YOU UP (The NEW YORK RADIO REMIX)

Angie Gold

You told me once that you loved me  
You said that I was the only one  
It took some time, but now I know  
The joy would prevail the earth  
(Son of a bitch now) Messin' with me wasn't wise, boy  
Cos I've been around for too long And now you're gonna pay for those lies, boy  
I'm gonna put you back down  
(We're used to be)  
I'm gonna eat you up, spit you out  
And run you right into the ground  
I'm gonna wind you up, turn you on  
And burn all your s right down I'm gonna, I'm gonna  
I'm gonna, I'm gonna  
I'm gonna, I'm gonna, I'm gonna  
I'm gonna eat you up, spit you out  
And run you right into the ground  
I'm gonna wind you up, turn you on  
And burn all your s right down I'm gonna eat you up, spit you out  
And run you right into the ground
