

Pipeline

The Raymen

Get out the crane
Construction time again
What is it this time? We're laying on a pipeline
Let the beads of sweat flow
Until the ends have met, though
It could take a long time
Working on a pipeline
Taking from the greedy, giving to the needy
On this golden day
Work's been sent our way
That could last a lifetime
Working on a pipeline
From the heart of the land
To the mouth of the man
Must reach him sometime
We're laying on a pipeline
Taking from the greedy, giving to the needy
Taking from the greedy, giving to the needy
Taking from the greedy, giving to the needy
Taking from the greedy, giving to the needy
Taking from the greedy, giving to the needy
