

New

No Doubt

Don't let it go away
This feeling has got to stay
Don't let it go away
This feeling has got to stay
And I can't believe I've had this chance now
Don't let it go away, yeah New, you're so new
You, you're new
And I never had this taste in the past
New, you're so new My normal hesitation is gone
And I really gravitate to your will
Are you here to fetch me out?
'Cause I've never had this taste in my mouth Oh, you're not old
And you're not familiar
Recently discovered and I'm learning about you New, you're so new
You, you're new And you're consuming me violently
And your reverence shamelessly tempting me
Who sent this maniac?
'Cause I never had this taste in the past Oh, you're different
You're different from the former
Like a fresh battery I'm energized by you Don't let it go away
This feeling has got to stay
Don't let it go away
This feeling has got to stay
And I can't believe I've had this chance now
Don't let it go away Why am I so curious?
This territory's dangerous
I'll probably end up at the start
I'll be back in line with my broken heart New, you're so new
You, you're new
And I never had this taste in the past Don't let it go away
This feeling has got to stay
Don't let it go away
This feeling has got to stay
And I can't believe I've had this chance now
Don't let it go away And I can't believe it, can't believe it
Can't believe it, can't believe it
Don't let it go away, this feeling has got to stay
Don't let it go away New, you're so new
New, you're so new

New, you're so new
