

# Redline (Remastered)

Saxon

Hey baby, why don't ya come and ride with me  
Like a bullet I'm the fastest thing you've ever seen  
Hey mamma can you hear the monster scream  
Feel the power riding in my mean machine Just me and my machine out on the highway  
Just me and my machine I'll take you tonight  
To the redline Like lighting it's the only way I get my fun  
Don't stop me I gotta let my motor run  
Sensation running up and down my spine  
Celebration streaking past the winning line Just me and my machine out on the highway  
Just me and my machine I'll take you tonight  
To the redline Hey baby, why don't ya come and ride with me  
Like a bullet I'm the fastest thing you've ever seen  
Hey mamma can you hear the monster scream  
Feel the power riding in my mean machine Just me and my machine out on the highway  
Just me and my machine I'll take you tonight  
To the redline To the redline  
I'll take ya tonight  
To the redline
