Get Me Outta Here

Jet

I went down to the bank just to get me my pay
I'm gonna get me, outta here
I got me some cash, I'm headed back to LA
I'm gonna get me, outta hereI'm sick of the man, 'cause the man is a thief
I'm kicking the plan, before the plan kicks me
I'm gonna get me, get me outta here
I'm gonna get me, get me outta hereI went down to the duke, ten times a day
I'm gonna get me outta here
Drink all night, and talking shit all day
I'm gonna get me outta hereI'm sick of the man, cause the man is a thief
I'm kicking the plan, before the plan kicks me
I'm gonna get me, get me outta here
I'm gonna get me, get me outta hereI don't mind how I live my life without the lucky guys
I ain't trying to keep in time so just get off of my back
You won't hang your rusty sign on meI went down to the bank just to get me my pay
Get me outta here
I'm gonna get me, get me outta here
I'm gonna get me, get me outta here
I'm gonna get me, get me outta here.
