

Dance the Mess Around

Chubby Checker

Who likes Birdland? We like Birdland
We like Birdland, we like Birdland
We like Birdland, oh yeah
We like Birdland, we like Birdland Yeah come on baby and fly with me
Just as easy as a ABC
It's got the rhythm and the rock and roll
A little cha cha gonna move my soul We like Birdland, we like Birdland
We like Birdland, we like Birdland
We like Birdland Yeah, come on baby and we're gonna swing
Come on and show me how you sake that thing
Look at Susie who lives next door
She can shake it but she shake it more We like Birdland, we like Birdland
We like Birdland, we like Birdland
We like Birdland Now fly whoo, fly whoo, fly by Jove, I think she's got it
Shup a doo wop a shup a doo way
Shup a doo wop a shup a doo way
Shup a doo wop a shup a doo way Shup a doo wop a shup a doo way
Shup a doo wop a shup a doo way
Shup a doo wop a shup a doo way, come on baby
Shup a doo wop a shup a doo way, Birdland Susie Shup a doo wop a shup a doo way, do it sis
Shup a doo wop a shup a doo way, easy baby
Shup a doo wop a shup a doo way, mamma, mamma
Let's Birdland now, sly, fly, ar right, I'm satisfied
Momma, mamma, Birdland now I like Birdland, you like Birdland
He likes Birdland, she likes Birdland
We like Birdland
